

'Lord I Call' - Blessed Olga of Russia

July 11

Reader (3): For with the Lord there is mercy and with Him is plenteous redemption, and He will deliver Israel from all his iniquities.

Tone 4

Obikhod

Thy memory dawns like the sun, O holy Olga, wise in God.

As the mother of Russian kings, thou didst point the way to Christ.

Taught in the apostolic way, thou didst overthrow the idols and the Devil.

Enlightened by the power of the Holy Spirit, thou didst

lead the whole land to God from the darkness of ignorance.

pray to Him for those who celebrate thy memory!!
