Tone 4

Obikhod

By the strength of thy suffering, O most glorious Pho - cas,

thou didst overthrow the arrogance of the in - i - qui - tous

and the wor - ship of de - mons. Clearly proclaiming the Sav - ior of all,

Thou didst enlighten the minds of the faith - ful,

and didst drive out the darkness of vain i - dol - a - try by the illumination of

thy miracles and the brilliance of thy struggles, O bless - ed one of God.
